SOLAR candy

window lattice

SOLAR candy is by far the handiest window lattice on the market.

See for yourself:

- sturdy aluminium structure
- cotter is of stainless steel
- easy to install
- quickly removed and fastened
- no parts on the window frame to hinder washing
- withstands the rough Finnish climate without warping
- also available with a smooth surface

SOLAR candy - easy to install

**Drill holes into the window frame.
Snap the lattice into place.
No wonder they say it's handy.**

Lift the knob: the lattice can be removed and fastened.
